Our philosophy

be organic

Live in harmony with the world. Reach for organic products:
Safe for you, pleasant to the body and environmentally friendly.

be natural

Support your body in natural renewal. Effectively moisturize, nourish and rejuvenate the skin by drawing from the richness of nature.

be you

Be yourself. Take care of your well-being, life balance and inner fulfillment.
Draw life to the full and share its natural beauty.

BE ORGANIC basic information

Body
care?
Naturally!

Body peeling Argan oil & sunflower 98,5% of natural ingredients

For all skin types.

Regular removal of keratinized epidermis speeds up cell regeneration of the skin, smoothes and evens its coloring.

Be organic body scrub ARGAN OIL & SUNFLOWER immediately improves the condition of skin, cleanses, moisturizes, reducing scar tissue and stretch marks. Included in the cosmetic natural mild abrasives: cane sugar and sea salt gently smooth, assist the absorption of nutrients and leave feeling a silky softness.

VEGAN

100% Organic coconut oil

Cold hand-pressed coconut derived from nuts organically grown in Sri Lanka. Produced in the traditional manner without the use of chemicals and pesticides.

Hair: thanks to its unique properties, protects against the loss of protein. Used as a mask or serum after a thorough rinse leaves hair soft and shiny. Strengthens hair and relieving the symptoms of scalp dandruff.

Body: moisturizes, smoothes and slows down the aging process. Soothes irritation and inflammatory changes.

Note:

Be organic coconut oil takes a form of a solid at a temperature below 25 degrees Celsius, at higher temperatures the oil will be liquid. It is a natural process.
